News And Events

Wildlife News Middle East is published quarterly. It contains papers, reports, letters and announcements submitted by veterinarians, biologists, conservationists, educators and other animal care professionals working with captive and free-living wildlife in the Middle East region. Contributions are not refereed, although every effort is made to ensure the information contained within the newsletter is correct, the editors cannot be held responsible for the accuracy of contributions. Opinions expressed within are those of the individual and are not necessarily shared by the editors. Guidelines for authors can be downloaded from www.wmenews.com
